## **"THE PARTING GLASS"**

*Of all the time that ever I spent,  
I spent it in good company;  
And any harm that ever I've done,  
I trust it was to none but me;  
May those I've loved through all the years  
Have memories now ever they'll recall;  
So, fill to me the parting glass,  
Goodnight, and joy be with you all.*

*O' all the friends that ever I had,  
And sorry for my going away;  
And all the love that ever I had  
Would wish one more day to stay.  
But since it falls unto my lot  
That I should leave and you should not  
I'll gently rise and softly call  
Goodnight, and joy be with you all.*

*Of all the good times that ever we shared,  
I leave you now fond memory,  
And for the friendship that ever we had  
I ask you to remember me,  
And when you sit and stories tell,  
I'll be with you and help recall,  
So fill to me the parting glass,  
Goodnight and joy be with you all.*
