## ACKNOWLEDGEMENTS:

Len French, of CCCQ, coordinated and put together the earlier editions of the HELP BOOK, with edition 3 being issued in 2009.

At Cit-In at Rawson, Victoria in 2014, Edition 3 was out of date and at the Presidents' Meeting, David Gilbert of CCSA volunteered to bring it up to date as an ongoing aid to Citroën travellers as they journey around this great country of ours.

Club Citroën of SA produced a new Edition 4 as part of its organisation of Cit-In, Nuriootpa 2015 and presented a copy to all registrants. At the Presidents' Meeting at Cit-In 2015 a motion was passed that in future years the HELP BOOK would be updated by the Cit-In Organising Committee and distributed to all attendees. This provides an automatic mechanism for up-dating the HELP BOOK and being up-dated each year will not be such a mammoth undertaking.

The 5th Edition was done in 2016 by [David Gilbert](#) of the Citroën Classic Owners Club of Australia Inc.

The 6th Edition (September 2022) by Bruce Stringer of CCOCA is an updated online version created with links where possible to sales and service agents.

## INTRODUCTION:

This HELP BOOK provides lists of contacts where assistance may be available. Where the information is available, the BOOK lists Authorised Citroën Sales and Service Agents, and other sources of skilled technical and mechanical expertise suggested by Clubs and Members. In using this HELP BOOK, Members seeking advice and assistance acknowledge that they will take responsibility for their own actions at all times and will not hold the editor or the Organising Committee responsible for any errors or omissions, nor for the standard of service offered or performed by anyone listed in this book.. Also listed in the HELP BOOK are the names and contact details of Club Members across the country who have generously offered to be contacted if help is needed. They may not always be able to assist, but will do their best to help under whatever circumstances may apply.
