What is Birmingham Balti, you ask?

In short, its Indian styled British curries served in small Balti dishes. With ranges from smooth curries to fiery Indian chilli dishes, Balti is a definite win amongst all lovers of Indian Cuisine. But wait, that is not it, it is perfect for vegans, vegetarians and meat-lovers alike. Base Camp is not only home to Balti curries. We offer a range of Himalayan dishes from momos, to monthly Chef's Special.

P.S. Did we mention we offer gluten-free, vegan friendly, vegetarian, and meat lovers' dishes?
