

Glen Huntly Traders Classic Wheels – 9.00 am to 12.00 pm Sunday 4th August 2024

The organiser of this event, the Glen Huntly Village Traders Association, has invited members of the Citroën Car Club of Victoria and the Citroën Classic Owners' Club of Australia to put their classic Citroëns on display.

At the date of posting this notice the organiser has received acceptances to display vehicles from the Buick, Cadillac, MG, Pontiac and Vauxhall clubs, so an opportunity for us to show off cars with real design, engineering and innovation excellence.

Cars will be displayed, in designated areas for each car club, in Glenhuntly Road, between Grange Road and Manchester Grove.

Cars for display will be required to arrive on the day between 8.00 am and 8.45 am (but the organiser will hold spaces for late arrivals) and will be able to leave after 12.00 pm.

Display spaces are limited. CCCV and CCOCA have been allocated 15 spaces, but this number may be increased or decreased depending on acceptances from other clubs. To enable a final allocation of spaces the organiser needs to know numbers from each club by not later than Sunday the 21st of July 2024.

If you would like to display a car at this event please register to do so, by not later than the 21st of July, by clicking:-

If there are more acceptances than can be accommodated it will be "first in best dressed", so get your registrations in early. It will be advised to registrants whether or not they have made the cut to display their vehicle shortly after the above close date.
