Essential for Intermission and Supper arrangements

By a twist of fate, the clumsy but good-hearted, aspiring actor Hrundi V. Bakshi (Peter Sellers, *The Pink Panther*, *Dr. Strangelove*) is invited to attend Fred “General” Clutterbuck’s big party, after having utterly ruined the set of his latest feature film. In this cozy and friendly atmosphere, drinks are flowing, food is in abundance, and everybody is in high spirits. When Bakshi accidentally has his first-ever sip of alcohol and his real identity is revealed things become chaotic.

*The Party* has developed a reputation over the years as a “cult film” but is now highly regarded as one of the best comedies of its era.
