

*PAST EVENTS - CIT-IN '96 GAYNDAH*

Above: Now in the possession of CCOCA member Alain Antonius this Family 9 was traded by the Gayndah Gang for a CX GTi Turbo 2. Alain is putting the car into the hands of newly-formed Traction Restorations Australasia for a major restoration before he commences using it as a wedding hire car in Sydney.

Below: Peter Fitzgerald's Big 6, at the Motorkhana ground. Whilst she has been christened Rosey, if he keeps washing her at the present rate she will have to be rechristened Silver as the bare metal starts to show through.
